Zonta provides all tools and templates on the ZI website. Applicants are asked to forward their applications to their local club and all clubs can forward an application for the scholarship even if they are not running a club award.

There have been a few changes in the application to note

- Only typed applications will be accepted
- There is no age restriction for any applicant
- Zonta members and employees of Zonta members or their families are not eligible to apply for the scholarship

Thank you to the 5 clubs who supported the scholarship and submitted applications for 2014. We had an outstanding District 16 winner in Kate McCaw who was then an International winner. This brought the number of International winners for District 16 to 6 in the 7 years since the award was established.

Please support this scholarship which gives an opportunity for our talented young women completing studies in business related areas to win a substantial monetary award at the District and international level. ZI pays US\$1000 to the District winner and 12 awards of \$US \$7000 to International winners.

Club's applications to the District are due **July 1st 2015 to be sent to annemcmurtrie@xtra.co.nz**
Applications to clubs should be due by **May 31st 2015**
