The Presidents
Zonta Clubs
District 16.

Dear Presidents,

District Governor Maureen Heine has asked our club to forward a copy of our recently produced booklet, *Wedding Bells or Warning Bells?* We are finding great acceptance from organisations in asking for copies to distribute. To date, the Probation Service, the Police, Schools and Doctors Rooms.

Our printer is happy to reprint the booklet with the ability for your club to provide the contact details for the back cover that are relevant to your area. You would have to ask for a quote, as each club may wish to choose their own production level. There is no additional charge for altering the contact details.

The person to contact at Graphic Detail is Sammy. Phone 09 418 3127, or email her at studio@graphicdetail.co.nz If you prefer to have your own local printer to produce the booklet, Sammy will provide a print quality file for \$30 plus GST.

In light of the new "NO" campaign from Zonta International and District 16, you may find this booklet would assist in the campaign to fight violence against women and enhance Zonta International's credibility and visibility.

The booklet is not unique, and I am aware that you may have produced something similar in the past. In fact this is our club's third revision over 10 years. We were also grateful to receive funding for this reprint from a local church charity.

Yours in Zonta fellowship

Karen Mitchell
