

Zonta International District 16 Area Meetings

Area Meetings provide an opportunity for Zonta members within an Area to get together on an annual basis to:

- Network with other Zonta members
- Share good practices across Clubs
- Hear from the District Governor and other District officers about Zonta activities, nationally and internationally
- Be inspired by interesting local guest speakers

Area meetings in 2019 will celebrate the Zonta International centenary based on the theme of 'Honour and Empower'.
