December 2018 Newsletter **ZONTA SAYS NO** CAMPAIGN

Sunday 25th November to Monday 10th December 2018

So many exciting things are happening around New Zealand. Remember to share them with us via facebook or directly to our publicity person Leanne Warr at publicity@zonta.org.nz

A very exciting week for Auckland as we see the Harbour Bridge lit up orange with accompanying profiles on NewstalkZB and other media. Such a big sign for Zonta Says No! Good on you Auckland club

North Shore Club have printed stickers to go inside toilets, advertising the 0800 numbers for Women's Refuge and Sexual Assault helpline

Oamaru Club had a White Ribbon breakfast with 86 guests and 6 of the local riders for the White Ribbon Ride. The guest speakers were the Dunedin Victim Manager for the NZ Police along with a young woman who has been a victim of violence

My own club has again knit-bombed the local tree icon outside the Art Gallery and also strung orange shoes along a prominent fence with our orange dolls giving the message. We have an orange-themed Quiz Night this Thursday which is sold out

Palmerston North lit up their town clock tower – very impressive

Christchurch South had their Zonta Says No breakfast on Friday and raised \$2000 for the local Shakti network (Shakti is an organisation that helps migrant women here in New Zealand)

Christchurch had their Christmas tour on Sunday 25th – hope it was a great success and you had better weather than we had up here in the north!

CHALLENGE FOR THE WEEK! – get at least one piece of information into your local media during the 16 days of activism – and send a copy to our PR chair at pr@zonta.org.nz. I have attached the PR piece I sent to our own local paper – it may help you.

Any media and PR requirements are very well supported on this link <https://zontasaysno.com/takeaction/prtools/>

Keep the information coming in ☺ Remember that this doesn't end until 8th December

Wonderful work ladies.

Cheers, Liz Holsted – 2018 ZSN coordinator
