## November 2018 Newsletter **ZONTA SAYS NO CAMPAIGN**

**Sunday 25<sup>th</sup> November to Monday 10<sup>th</sup> December 2018**

A week until the 16 days of activism commences. You will certainly be well underway.

My husband and I have just spent the last three weeks travelling around India – it was confronting, challenging, enlightening, uplifting, spiritual and we here in New Zealand need to realise how lucky we are to have been born or to have come to live in this country. But there is still much to do. We should not become complacent. This is a time when we can bring attention to the issues still facing us – exploitation, domestic violence, lower status, pay equality. As women in New Zealand though, I firmly believe we also have an obligation to work for those women, like the millions in India, who have absolutely no status and no ability to change that within themselves.

Over the next couple of weeks.....

**REMEMBER TO STAY SOCIAL** - Don't forget to take photos and post your event to D16's facebook page as well as sending it to the district PR chair Leanne Warr at [publicity@zonta.org.nz](mailto:publicity@zonta.org.nz) and to [www.zontasaysno.com](http://www.zontasaysno.com)
